Operating Budget Pledge: for 2012 $_____ in 2011 was $_____

Giving to the 2012 Operating Budget should be the first priority of every giver.

Please consider an increase of 5% above your original 2011 pledge, so we may reach our goal of $2,100,000.00. The Biblical goal is to tithe, or give 10% of your annual income. After you have made an operating budget pledge, prayerfully consider a commitment to the Capital Fund for major building repairs and projects. The Capital goal is $100,000.00.
